

**Note from Professor Rucker ...**

**NO EMAIL ADVISING ON INTERNSHIPS**

**Careful and detailed thought and discussion should be given to choosing the internship that works best for your media career goals.**

**Since we have hundreds of JMC School majors who must complete an internship before graduation, emailing is not practical.**

**Always be prepared to discuss your internship planning in person. Drop into DBH 125. No appointments needed.**

**Never wait to the last minute to secure an internship.**

**More details online: [www.profbob.com](http://www.profbob.com)**
