

VIDEO PROJECT TIPS – MCOM 105

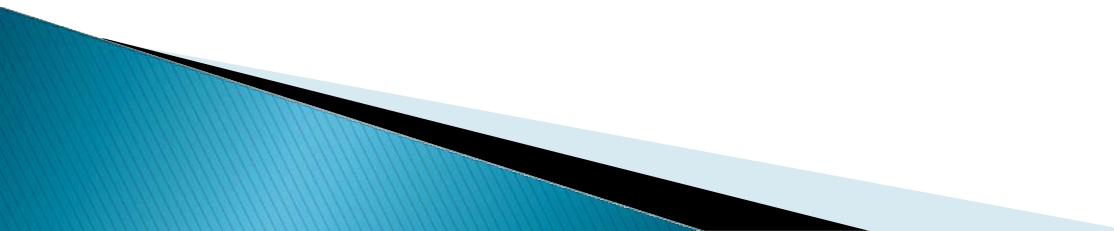

Video Basics – Software

- ▶ [Adobe Premier Pro](#) (free with your SJSU email)
- ▶ [Audacity](#) if you want to do voiceovers
 - [Tutorial](#)
- ▶ YouTube account

Making a Story

- ▶ Plan out your story before shooting.
- ▶ No one wants to see you talk for two minutes, so add some other media (e.g., pictures).
 - Remember to source pictures if they aren't yours
- ▶ If you're going to add music, make sure it's free and you credit it.
